## 5 – Additional Guidance

- Since the emergence of COVID 19 football has developed and implemented a wide range of protocols and protective measures to limit the transmission of COVID 19 and ensure the safety of participants, volunteers, staff, and spectators.
- All stakeholders, including players, match officials, coaches, administrators and parents and spectators have a responsibility in ensuring the above guidelines are adhered to at all times. In turn, this will ensure that our players can continue to participate safely in sport.
- The Government have reiterated the need for ongoing close monitoring of the virus. You should continue to risk assess individual activities and events. This includes the continued implementation of good hygiene practices along with recommending symptomatic individuals do not participate in or attend football activities.
- Mask Wearing: The [requirements for mask wearing](#) in settings where currently regulated for will continue until February 28<sup>th</sup> 2022.
- Close Contacts: This continues to follow the current advice for those with symptoms, cases and close contacts [as announced by the government on 12 January 2022](#)
- International Travel: Clubs & Leagues partaking in international football activity should continue to monitor the travel requirements both in Ireland and the destination country. You should also note that the use of the Digital Certificate and/or Recovery Certificate will continue for international travel for the immediate future.
