Dear John,

In view of the circumstances of the FAI's non qualification for the 2010 FIFA World Cup South Africa™ (November 2009) and for the 2014 FIFA World Cup Brazil™ (September 2013) FIFA financially assisted the FAI.

As requested by you, FIFA confirms that the credit position vis a vis the FAI stands at nil.

Kind regards,

Markus Kattner  
Deputy Secretary General
